Lauren Horton has a passion for connecting with women by offering spiritual guidance and encouragement. Her grandfather shared the plan of salvation with her at the age of seven, and she accepted Jesus Christ as her Lord and Savior. She has had the privilege of being a workshop facilitator at youth retreats, women's Bible conferences, and a speaker for various women's fellowship programs.

Lauren serves as a Vacation Bible School teacher and on the Sunday School team at Metropolitan Community Tabernacle of Detroit. Lauren serves as a Board Member for the United Conference for Women. She also leads virtual monthly meetings where she provides a practical and biblical perspective to relevant topics impacting women.

Lauren graduated from Western Michigan University in 2014 with a bachelor's degree in business administration with a Human Resources Management concentration. She currently works as a Human Resources Business Partner in the early childhood education industry. She also completed coursework through Moody Bible Institute to enrich her knowledge of the Word of God.
