

Serena A. Johnson, LMSW

Servant Leader | GLOW Committee Lead

Soon to be Dr. Johnson, Serena has dedicated her career to serving others through impactful roles within both state and federal government. She currently leads a Clinical Team within the City of Detroit, working with justice-involved individuals as they focus on mental and emotional rehabilitation, providing guidance that bridges compassion, accountability, and healing.

Born in Kansas and raised in the Brightmoor community on Detroit's west side, Serena's spiritual foundation was built during her adolescent and young adult years at Rosedale Park Baptist Church under the leadership of Pastor Haman Cross Jr. Today, she is a devoted worshiper at New Life Family Church, serving under the leadership of Pastor Welton Smith IV.

Serena's greatest blessing is being the mother of her 13-year-old twins, Levi Anthony and Lyric Celeste. She is also a proud daughter and sister to four dynamic women, each faithfully serving the Lord and their community in powerful ways. With a heart for faith, family, and service, Serena continues to inspire women by living out her purpose with grace and dedication.
