Servant Leader | Workshop Leader

**Sis. Millicent Holley.** I've been a servant worker in the CD /Tape Sales and with the United Conference for Women Bookstore for decades, and a workshop leader two times at UCW's Conferences, and also a speaker at other retreats.

My favorite verse is **Proverbs 3:6**, listening and watching for The Lord's direction. It is a calling requiring daily *prayer* and *patience* . I keep a loose calendar, so when a need arises I am ready and willing. I'm always working alongside those who need access or assistance.

**“In all thy ways acknowledge him, and he shall direct thy paths.”**

**Proverbs 3:6**
